Date of birth, Place of birth

24/06/2001, Ukraine

Education

Bachelor's Degree | Applied Mathematics 2018 – 2022
NTUU "Igor Sikorsky Kyiv Polytechnic Institute" Kyiv, Ukraine

Work Experience

Engineer, Department of the theory of stochastic processes since July 2022
Institute of Mathematics, NAS of Ukraine Kyiv, Ukraine

Projects and Research

Operators of quantum physics in discrete probabilistic structures 2022
NTUU "Igor Sikorsky Kyiv Polytechnic Institute"

Conferences and Presentations

Bernoulli-Fock space June 2022
The Skorokhod readings 2022

Оператори квантової фізики в дискретних ймовірнісних структурах June 2022
конференція "Теоретичні і прикладні проблеми фізики, математики та інформатики"

Scientific interests

Stochastic analysis of Bernoulli processes

Skills

Languages: Ukrainian (Native), English, Russian
Programming: Python (NumPy, SciPy, Matplotlib, Pandas)
